Words from Pastor Jim

What a great time of opportunities for ministry at Faith United Methodist! I am really enjoying the planning process we are undergoing using the "Five Practices of Fruitful Congregations"! There are two more sessions happening soon and you are officially invited.

Feb. 7, 6:00 p.m. Dinner with Planning to follow

Feb.13, 7:00 p.m. Final planning with clear expression of goals and objectives.

What really makes a planning experience work is the discernment of our folks and a clear plan to move forward. Come and be a part of it.

We are also looking at Five Practices in our Worship series in these weeks of February. Let's work together to find common hopes for our church and its future.

On a similar note, it is also helpful to have input from everyone concerning these strengths and concerns of our church. To accomplish this we have an online survey available for everyone to use. It is found on Survey Monkey and takes less than 5 minutes to complete. Here's the link to the survey.

www.surveymonkey.com/s/FXQG7MH

Let your opinions be noted. Deadline for completion of survey is February 20.

Of course your prayers and presence are other important ways of helping us move forward in our ministry. I am proud to be your Pastor.

Jim

February, 2012

Here's the link for the survey:

The deadline for completing is February 20. We will publish the results the following week.

Also don't forget to go to our website and sign up for your appointment to have a portrait taken for our Pictorial Directory! Faith-umc.org. It won't be the same with you.
