## Final Words from Pastor Harold

### “Thank You”

According to my calculations, this is my 172<sup>nd</sup> Ram's Horn article. Pondering that number, I have come to realize that I shouldn't have anything else to say. However, I never have been short on words ... at least this is what people have shared with me when my sermons have run over.

Donna and I just have one more thing to say... and that is “Thank you!” We are grateful for the opportunity to grow our church with you. We have been blessed by the enriching experience. We have laughed, cried and endured together.

Perhaps the most important element I take from my ministry with you is growth. I know I have grown because of you. The Holy Spirit has pushed us, moved us, motivated us and prompted us to act on Christ's account. I know Jesus has been at work in and through our ministry. It never has been “of me” but of “Him”. Christ has done it all.

So, I am very thankful for you, but most importantly I am thankful for Christ who is the reason why I do what I do. Get up...go to work for him every day. For the past fourteen years, I have felt He was “*counting on me*” to do my job to the best of my ability. I have tried to be faithful. He has always been faithful. I am glad we have had the privilege to faithfully work together. Donna and I love you and this church very much... we always will.

Let me sign off on this note ... with the same words I will close my final message. “Continue to get out there, and get busy for Jesus Christ because He's counting on you.” We all march on!
