Please note that by filling out this information sheet, your name will automatically be added to the nursery volunteer list. The nursery coordinator will call you when a volunteer is needed. Also, when you drop off your child, you will receive a pager. This pager will vibrate if you are needed to return to the nursery for your child. Please return your pager when you pick up your child and sign your child out. No child will be released until the parent with the pager returns to pick up the child. Your child WILL NOT be released to a sibling or any other non-adult family member. Please sign below that you have read and agree with this policy.
